Tripod Stand with Phone Bracket

Category: Testing
Product ID: IS42
https://www.isaansport.com/testing/tripod-stand-with-phone-bracket.php

Adjustable tripod stand with an expanding bracket that holds your phone, so you can film a sprint, a jump or a drill without anyone holding the camera. The bracket opens to take a phone up to 88 mm wide, the three legs fold out for a steady base on a pitch, a track or a gym floor, and the centre pole adjusts the height from 60 cm to 170 cm, so the phone can sit low or at head height.

Specifications
