Lightweight Aluminium High Jump Stands (Pair, 30 to 230 cm)

Category: Training
Product ID: IS46
https://www.isaansport.com/training/lightweight-aluminium-high-jump-stands-(pair,-30-to-230-cm).php

A pair of lightweight high jump stands for high jump training. Each stand is an aluminium alloy upright bolted to a blue steel base plate, with a sliding post that carries two bar rests. Loosen the black knob, slide the post to the height you want and tighten the knob again. The height is printed on the upright in centimetres, with a line every 1 cm, and you read it at the lower edge of the collar that holds the knob.

Specifications

Bar Height	Lower bar rests 30 to 130 cm, upper bar rests 130 to 230 cm (printed scale)
